Dear Sir:

I, John H. Runnels, represent that I am the attorney of record for the above-identified patent application.

The terminal part of any patent granted on the above-identified application that would extend beyond February 9, 2020 (or, if later, the terminal part of any such patent that would extend beyond the full term of any United States patent to issue on application serial number 09/501,215, as the term of any such patent may be extended) is hereby disclaimed.

It is agreed that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to any United States Patent that issues on application serial number 09/501,215; this agreement to run with any

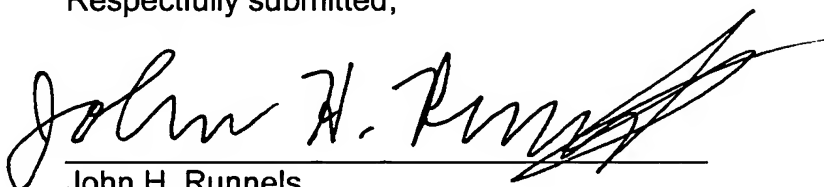

Express Mail No. EK655899117

patent granted on the above-identified application and to be binding on the grantor, its successors, and assigns.

This terminal disclaimer is being made with the assent of the assignee, Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, which holds all right, title, and interest in this patent application and in any resulting patent by virtue of an assignment from the inventors recorded at Reel 10587. Frame 0054, on February 9, 2000.

The \$55.00 fee of 37 C.F.R. § 1.20(d) is included in the total payment of \$551.00 that is enclosed with the accompanying application papers. If this amount is incorrect, please refer to the enclosed Deposit Account Authorization.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John H. Runnels", is written over a horizontal line.
